Property Description

This new prototype Walgreen's was constructed just one and a half years ago, and offers an investor one of the longer term leases available in the market today. An investor will enjoy 18+ years of NNN income guaranteed by Walgreen's corporate. Walgreen's expects high sales volumes at this location, driven primarily by the proximity to the University of Auburn. The store will not only benefit from the large student body on a daily basis, but Fayetteville retail also enjoys huge influxes of thousands of Arkansas Razorbacks alumni and fans attending home football, basketball, and baseball games. Additionally, investors feel confident in Fayetteville long term with the stability of Walmart corporate headquarters based in nearby Bentonville, just 26 miles away.

Property Description

As of September 30, 2014, there are 1,845 bakery-cafe's in 45 states and in Ontario Canada operating under the Panera Bread®, Saint Louis Bread Company® and Paradise Bakery & Café® names. Their bakery-cafe's are principally located in suburban, strip mall and regional mall locations. Panera features high quality, reasonably priced food in a warm, inviting, and comfortable environment. With their identity rooted in handcrafted, fresh-baked, artisan bread, Panera is committed to providing great tasting, quality food that people can trust. Nearly all of their bakery-cafe's have a menu highlighted by antibiotic-free chicken, whole grain bread, and select organic and all-natural ingredients, with zero grams of artificial trans fat per serving, which provide flavorful, wholesome offerings. The menu includes a wide variety of year-round favorites complemented by new items introduced seasonally with the goal of creating new standards in everyday food choices.

Property Notes

Property Description

Dollar General Corporation is a United States chain of variety stores headquartered in Goodlettsville, Tennessee. As of January 2012, Dollar General operated over 10,000 stores in 40 U.S. states. Dollar General stores tend to locate in smaller communities than those where Wal-mart would go. In recent years, the chain has started constructing more stand-alone stores, typically in areas not served by another general-merchandise retailer. In some cases, stores are within a few city blocks of each other.
